

Summer term 2026

ID Newsletter

Welcome to the 2nd edition of our termly newsletter!

It's been a busy and successful spring term, with great participation in our clubs and camps. Despite the wet weather, students have shown fantastic enthusiasm and commitment throughout.

As we move into the summer term, we're looking forward to some sunshine and making the most of our outdoor activities.

Thank you for your continued support.

The ID PE & Sport Team

Pedalling for a Purpose: Community Challenge Raises £10,000

Following the recent recognition at the Hampshire Collective Awards, we are delighted to share a further update on the continued success of the SACC 24-hour cycling challenge.

In partnership with Sarisbury Athletic CC, the event was completed with the final hour finishing on Saturday 7th March at 18:00. Across the full 24 hours, riders covered an incredible 1,360 miles—an outstanding achievement that highlights the dedication and community spirit behind the initiative.

Even more impressively, the challenge raised a remarkable £10,000. These funds will directly support the club's junior cricket programme and help deliver free summer camps for children, ensuring more young people have the opportunity to access and enjoy the game.

This latest milestone builds on the earlier recognition and reinforces the growing impact of what has become a truly special community event.

SERVICES BEYOND OUR CAMPS AND SCHOOLS!

ID ANALYSIS: ELEVATE YOUR GAME

Since August 2025, ID Analysis has supported teams across the JPL, Midsolent, and Winchester leagues, helping drive performance and player development through expert coaching and analysis.

Using NacSport and Veo technology, we provide detailed statistical and video analysis to enhance players' understanding of the game. This has contributed to a number of standout achievements, including the U11 JPL team winning their group and reaching the regional playoffs for the first time, alongside tournament success at Southampton and Fulham Academy.

Our U9 and U10 teams have impressed in their debut JPL seasons, while the U16 Midsolent side has enjoyed strong cup runs, securing notable victories over JPL opposition.

From U9 to U16, we deliver tailored support to suit all ages and abilities, helping every team reach the next level. For the 2026/27 season, please contact Head Analyst Jack at jack@idpesport.co.uk or visit: <https://id-advancedsport.co.uk/id-analysis/>

DEVELOPING GOALKEEPERS WITH IDGK

This Spring term saw the launch of IDGK, a programme focused on supporting the development of young, aspiring goalkeepers.

IDGK delivers high-intensity, match-based sessions designed to improve key skills, confidence, and in-game understanding. Currently, weekly sessions take place on Thursday evenings at Brookfield Community School for U9–U11 players.

In addition, IDGK runs dedicated goalkeeper days for U7–13's as part of the Brookfield football camp, providing a fun, game-based environment focused on development and enjoyment.

For more information on our GK sessions email: bookings@idpesport.co.uk
