

## REMEMBER

In order to **minimise the impact of absence** on your child's education

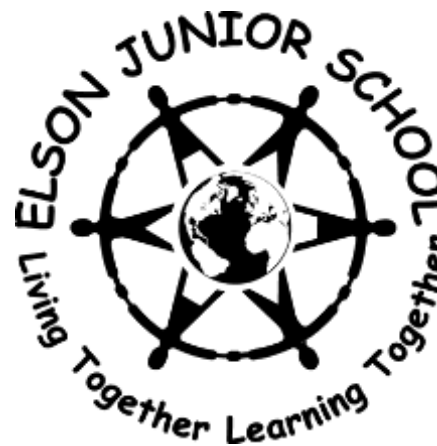

**Sickness:** If your child has been sick in the night, please inform the school before 0900. They should return to school in line with current guidance available through the school office and detailed on the school website.

**Attendance:** If your child is late in the morning it will be recorded as 'late' after 8.50 and 'unauthorised late' after 9.00am.

**Medical and Dental appointments:** Please try to keep these outside of school hours. If unavoidable during school time please keep time missed to a minimum. Evidence of medical appointments during school time will be required.

**Holidays:** Should be taken in the school breaks; there is no entitlement to holiday in term time. If there are exceptional circumstances requiring a leave of absence during term time then please ask the office for a Leave of Absence Form and an appointment with the Headteacher to discuss this. Application should be made in advance. The school policy is not to authorise holidays during September when children are settling in their classes or during the testing period in May.

**Emergency Contact:** Your contact details are vital in case of emergency; please keep us informed of any changes as soon as possible.
