11th June 2019

Dear Parents/Carers,

Year 6 Home Learning

We have been delighted to see some incredibly creative homework in Year 6 this year. Many children have been practising spellings and reading regularly at home. It is very encouraging and rewarding to see our children take pride in this aspect of their learning and show our Elson Values of aspiration, adaptability and creativity in producing some fantastic work.

In Year 6, 70 children have earned their Bronze award for completing one complete term of home learning and 56 children have earned their Silver award for completing two complete terms of home learning. We are hoping to present many more awards at the end of the summer term - it's not too late to try for your Bronze award! Those who have earned their silver are now on track to earn their Gold Award - which is a fantastic achievement.

Home learning will continue after half-term and will also be available for you to download from our web-site after the half-term holiday. There is also the option of Education City which your child can access using their own personal log in. If they need a reminder, please ask them to speak to us.

If you have any questions about home learning or require further information, please do not hesitate to contact us.

Yours sincerely
Mr J. Rogers

Mrs A. St. John

Mrs R. Feetam
