

Upper School

Tell us about it

Design and decorate book reviews in your Home Learning book based on the books you have been reading that could be used to promote your book to others.

Include details about:
The title, author and genre
Your favourite character(s)
A brief outline of the story
Who would this book be suitable for
Why you chose this book

Who is the author?

Research the author of your book and write a biography.

If you are unable to use the internet to do this, draft a letter for them, with some carefully thought-out questions you would like to ask.

Art and Design

Look carefully at the cover of your book.
Why do you think the illustrator designed it this way?
If you were asked to design an alternative cover, what would it be like?
Illustrate this in your Home Learning book.
