

Roman Chariot Race Board Game

Instructions

A game for two or more players.

You will need:

- Roman Chariot Race Playing Board
- Roman Chariot Race Spinner
- A different coloured counter for each player.
- You may need to brush up on your knowledge of Roman numerals to play this game!

How to play:

1. Decide who will go first by spinning the spinner. The person with the highest number goes first.
2. Each player puts their counter on the start space.
3. When it is your turn to go, spin the spinner and move your counter that number of spaces. Some spaces are blank but others have information in them. It might be a task you need to complete or an instruction to move your counter forward or backwards. You might even be able to move another player's counter backwards!
4. The winner is the first player to reach the finish space and win the chariot race.

Romans Chariot Race Spinner

You will need a matchstick or small piece of dowelling rod to put through the middle of the spinner.
