

Year 3 Topic

Remote learning

This pack contains:

- 1 geography activity, 1 art activity, 1 science activity, ideas for PE
- You will then need to bring in your homework book when you return to school. The teacher will then be able to give you feedback on the work.

Geography

I am learning to compare parts of Africa.

What do you think life is like in Africa? Write or draw some of your ideas.

Now think about this statement and decide whether you agree with it:

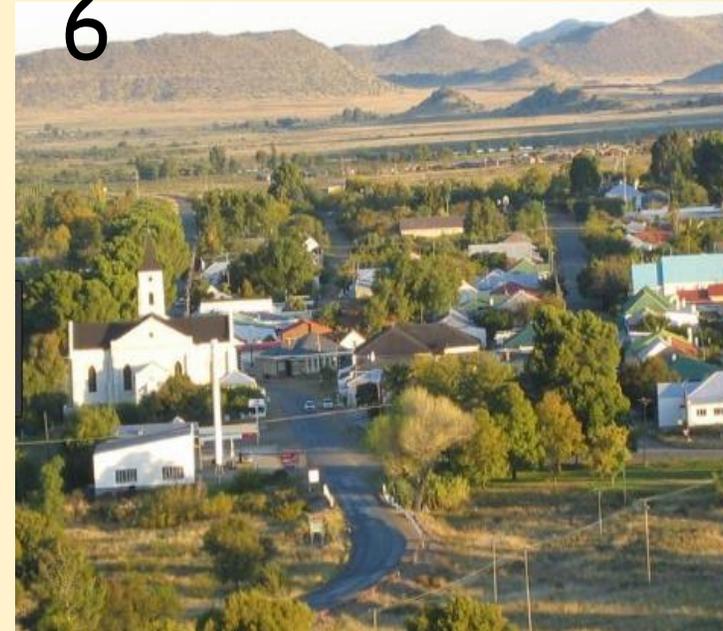

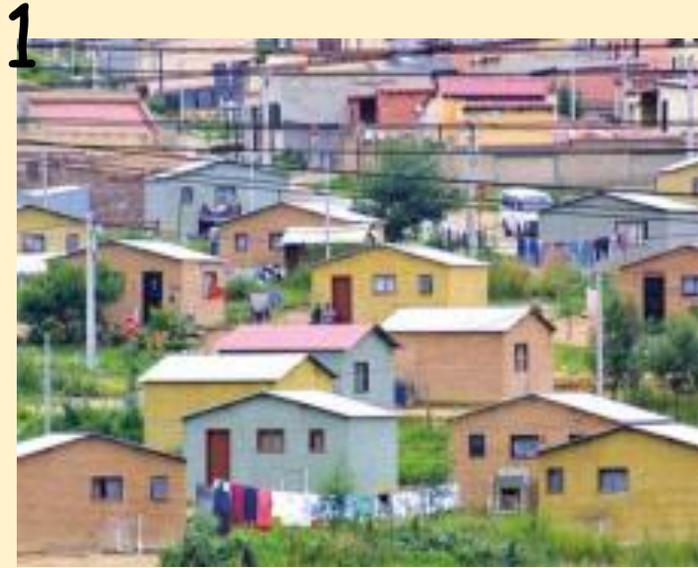

'Everyone in Africa is poor.'

Do you agree? Why?

Here's a word bank of ideas to help you form your opinion.

crowded	dusty	luxurious	hot
mountains	cold	enjoyable	desert
fun	traffic	spacious	modern

Look at these pictures. Sort them into two piles: Africa and non-Africa. We will not tell you the answers yet, just go with what you think!

All of the photos are taken in Africa!

Are you surprised?

What do you notice is different between the pictures?

What is the same in the pictures?

Has this changed your opinion on life in Africa?

Now let's think about these questions & statements from the beginning of the lesson:

- What do you think life is like in Africa?
 - Everyone in Africa is poor.

Has your opinion changed about Africa? Write your responses to the above statement and question in a different coloured pen from your first opinion.

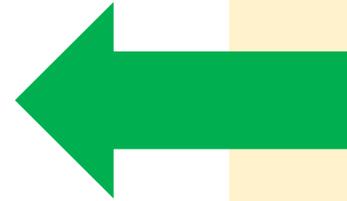

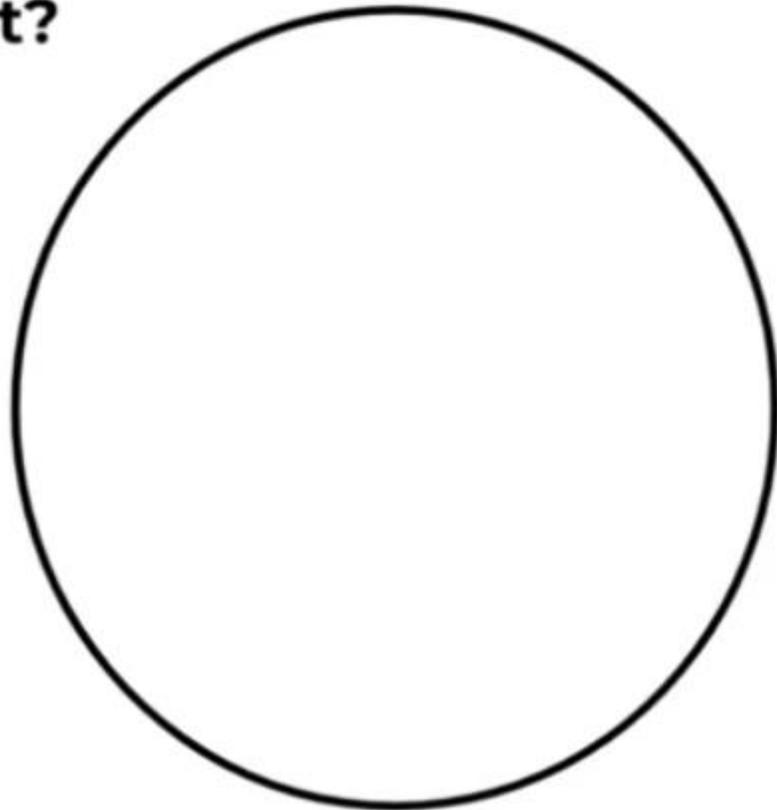

Science

I am learning to discuss what makes a balanced diet.

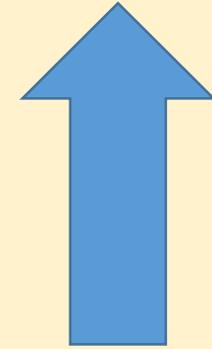

What is a healthy diet?

<https://classroom.thenational.academy/lessons/what-is-a-healthy-diet-c9k38t?step=2&activity=video>

Can you design a meal that is an example of a balanced diet?

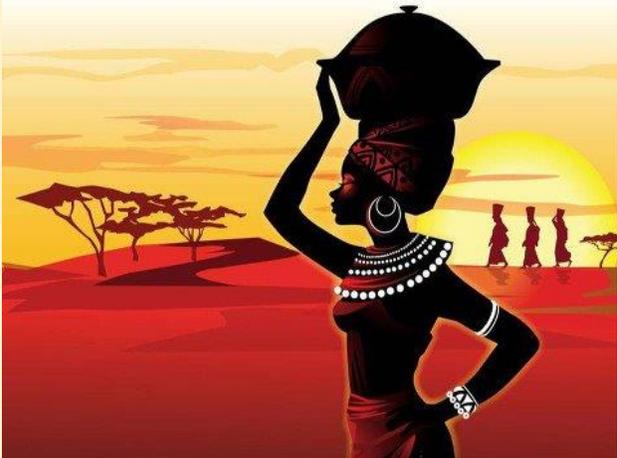

Watch [this video](#) and then complete [the activity](#).

Art

This term we will be working on creating an African sunset painting using watercolour paints.

Let's have look at some examples of sunset paintings:

Think about what you can see in the paintings.

The paintings are all landscape paintings. A landscape is a piece of natural scenery such as mountains or rivers.

What time of day do you think the paintings represent? How do you know?

How do the paintings make you feel?

Choose your favourite painting from the previous page.
In your book create a mind map to explain:

What is the painting showing?

What time of day does it represent?

What feelings does it give you?

How many shades of yellow/red/orange are there?

How did the artist create the different shades?

What do you like about the painting?

Is there anything you dislike about it?

PE

Joe Wicks has restarted his home PE lessons.

Have a go at some of his workouts.
