# Spanish - Weather

Preparation: Cut along the dotted lines and glue each card to make them double sided. Therefore, pictures one side and text the other.

Instructions: Spread the cards our picture side up. Begin by turning over the 'go' card (The green sign!) and reading the word on the other side. Find the picture that matches your word and turn it over to read the word on the back of that one. Continue turning over the matching picture until you find the 'Fin' sign. If you discover the 'Fin' sign before you have turned over all of the pictures, you must start again!

Good luck!
