

Year 4 Topic Remote learning Week beginning 25.01.21

This pack contains:

- 6 tasks
- A few additional ideas to keep you busy! Please note that these are optional for you to complete if you would like to.

You will then need to bring in your homework book when you return to school. The teacher will then be able to give you feedback on the work.

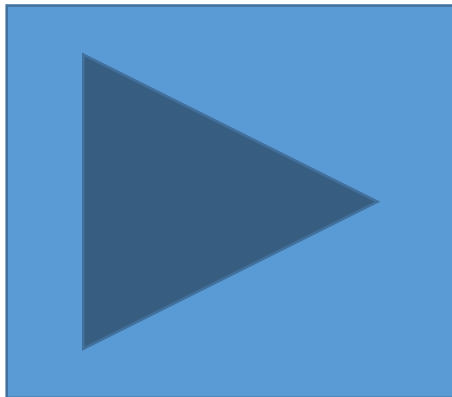

Spanish

Last week, we looked at how to ask someone their age in Spanish.

¿Cuántos años tienes?

How old are you?

<https://www.youtube.com/watch?v=84703zO3roM>

Click on the link to remind yourself how to say 'How old are you?'

Have a go at practising saying this!

Spanish

Last week, we looked at how to ask someone their age in Spanish. Today, we are going to practise the skill!

Álvaro, 4

¡Hola! Me llamo **Álvaro**.
Tengo **cuatro** años.

twinkl.co.uk

Hola! Me llamo Alvaro
Hello. My name is Alvaro

Tengo cuatro años
I am four years old

Spanish - Can you write the sentences for the other children?

Álvaro, 4

¡Hola! Me llamo **Álvaro**.
Tengo **cuatro** años.

twinkl.co.uk

Rosa, 5

.....
.....
.....

twinkl.co.uk

Felipe, 6

.....
.....
.....

twinkl.co.uk

Lucía, 10

.....
.....
.....

twinkl.co.uk

Sergio, 8

.....
.....
.....

twinkl.co.uk

Marina, 9

.....
.....
.....

twinkl.co.uk

Use these sentence starters
to help you!

Hola! Me llamo ...

Hello. My name is ...

Tengo ___ años

I am ___ years old

1	uno
2	dos
3	tres
4	cuatro
5	cinco
6	seis
7	siete
8	ocho
9	nueve
10	diez

History - What was life like in Roman Britain?

Use the internet to research an aspect of daily life in Roman Britain

This could be - children, homes, entertainment, food, clothing or work.

Then, create a poster with at least 10 of the facts you have found.

We would love to see some of your posters when you have finished!

Here are some useful websites....

PE Challenge

Please see power point for daily challenges!

Keep Active during lockdown

HAMPSHIRE SCHOOL GAMES DAILY CHALLENGE

Now, more than ever, it is important that pupils are physically active to support both their physical and mental well-being. Once again, the role of the National network of School Games Organisers has shifted to support and implement the Chief Medical Officers guidelines; for all children to be active for 60 minutes each day.

The Hampshire SGOs #HSGDailyChallenge will begin on Monday 11th January and will initially run until February Half Term. Please let us know if you are taking part in the challenges and we can then send this information to the School Games Organisers.

We look forward to parents and children sharing photos and videos of all the activities they have taken part in. Don't forget to use the #HSGDailyChallenge in your posts and tweets, as well as tagging your local SGO or Sports Partnerships (Gosport) and our school so they can see what your pupils have been up to and the impact this challenge is having across Hampshire!

The main aim of the campaign is to get and keep people moving whilst trying to have some fun!

Topic - Roman chariots board game

You can find everything you need on the school website. If you can't print it, can you draw your own board game and follow the same rules?

Roman Chariot Race Board Game Instructions

A game for two or more players.

You will need:

- Roman Chariot Race Playing Board
- Roman Chariot Race Spinner
- A different coloured counter for each player.
- You may need to brush up on your knowledge of Roman numerals to play this game!

How to play:

1. Decide who will go first by spinning the spinner. The person with the highest number goes first.
2. Each player puts their counter on the start space.
3. When it is your turn to go, spin the spinner and move your counter that number of spaces. Some spaces are blank but others have information in them. It might be a task you need to complete or an instruction to move your counter forward or backwards. You might even be able to move another player's counter backwards!
4. The winner is the first player to reach the finish space and win the chariot race.

ART - Art hub - Roman

Roman soldier - <https://www.youtube.com/watch?v=8uEkOhWJWb0>

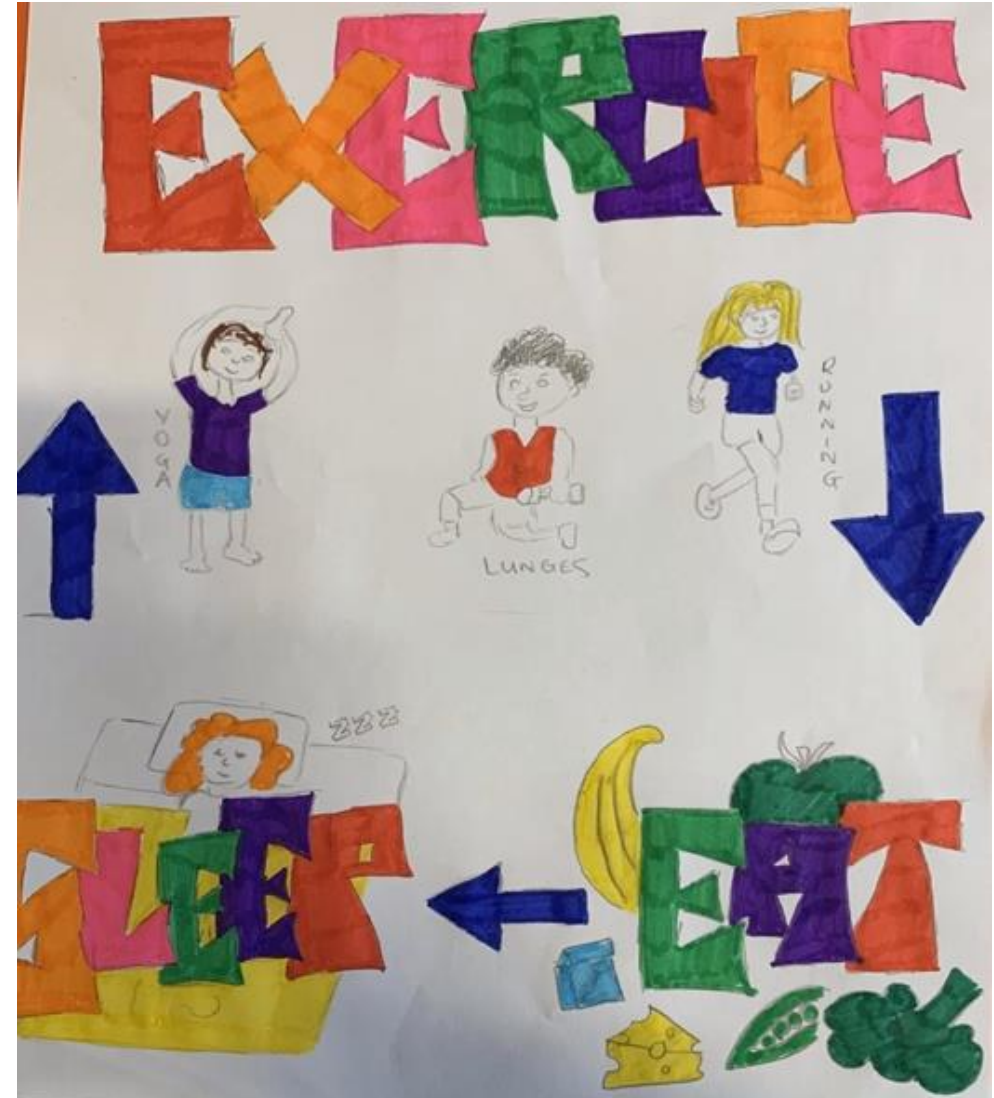

Science - Life is all about balance

<https://classroom.thenational.academy/lessons/life-is-all-about-balance-crwk6r>

Watch the video all about living a healthy life style

Create a poster or prompt reminding you to be healthy.
The title of your poster should be **A balanced lifestyle**
and you must include: **sleep, healthy eating habits and exercise.**

Education City

<https://www.educationcity.com/>

We have uploaded more tasks onto Education city. If you fancy a change, why not have a go at them?

If you don't have your log on details or have any problems finding the tasks, please contact your teacher on their email addresses or on year4@elson-jun.hants.sch.uk

Some other things you could do...

Take a look around Chester zoo and meet some friendly animals on a virtual tour!

<https://www.chesterzoo.org/virtual-zoo-2/>

SCIENCE@HOME - Some fantastic ideas and resources from the Science Centre.
