

Year 3 Topic Remote Learning 8.2.21-11.2.21

This pack contains:

- 1 art activity, 1 science activity, 1 music activity and ideas for PE

We'd love to see your favourite piece of topic work that you've done this week. Please send us a picture of it or you doing it to year3@elson-jun.hants.sch.uk 😊

Art

To create an African sunset.

This week we would like you to create your own African sunset picture. You don't have to use paint, you can use colouring pencils, chalk, crayons or oil pastels.

Use the skills you have practised over the past few weeks such as using warm colours and creating silhouettes. Below is some inspiration for you.

Please send your final pieces to year3@elson-jun.hants.sch.uk so we can display some 😊

Science

To summarise my knowledge about the human body.

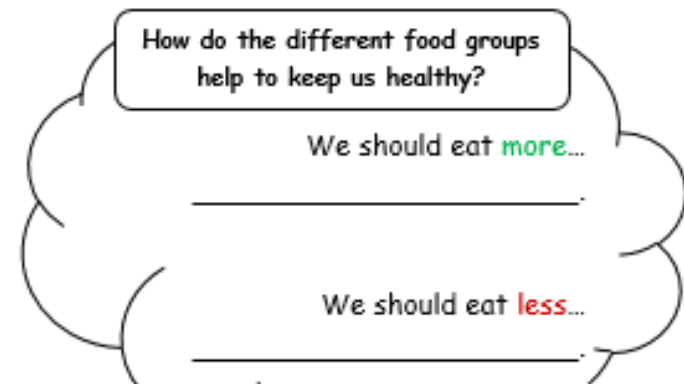

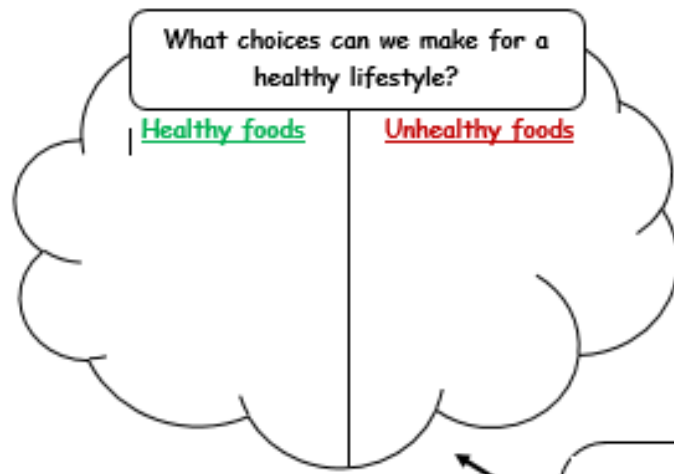

This half term you have learnt all about the human body (and some animal skeletons). You have learnt about:

- **Balanced diets**
- **Bones in the body**
- **Why skeletons are important**
- **Muscles in the body**
- **How muscles work**

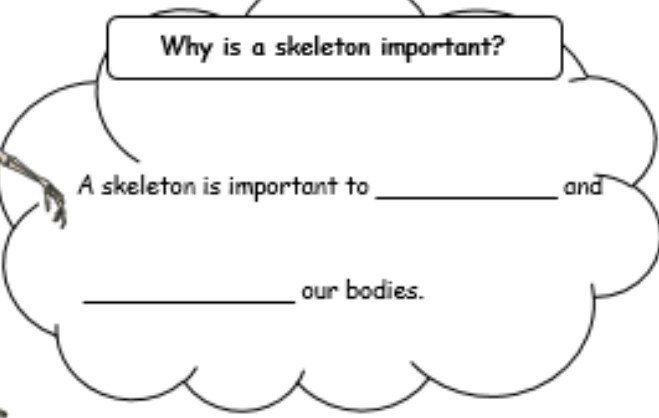

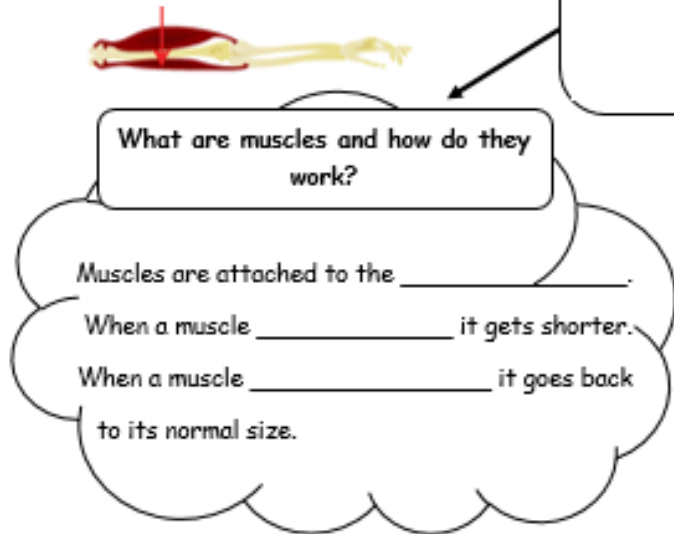

This week we would like you to create an **information poster** all about everything you have learnt this half term in Science. The list above should help you with what to include and you can look back at the slides on the website to remind you. There is a template and word bank on the next slide if you want some help.

Please send your posters to year3@elson-jun.hants.sch.uk 😊

healthy	movement
unhealthy	support
nutrients	protect
nutrition	organs
more	ribcage
less	skull
most	spine
least	joints
fats and sugars	muscles
carbohydrates	bones
proteins	skeleton
dairy	contract
vegetables	relax
fruit	bodies

Why do we need to keep our bodies healthy?

Music

Please see the music lesson on the website where all of your remote learning is. It's a brilliant lesson with Mrs Reynolds from Hampshire Music Service. 😊

PE

Have a look at the PE challenge on the website.

Also, here are some links to some new activities
